Think of God's creations
They are very amazing,
He created people of all kinds,
Some people are short and others are tall,
Some are polite and others are not.

Look at people God created,
Some people are caring and others are not,
This is because they are selfish,
Some are kind to both people and animals,
But some are not.

God's creations are all attractive,
Some are brown and others are dark,
Some are light brown and others are chocolate brown,
This makes them look beautiful,
What a wonderful creation it is!
